Sir,

I have the honor to submit the following report on the repairs and improvements to Sri Someswaraswami temple at Magadi.

2. In Government Order No.2221-3/M.F.531-18-33 dated 7th February 1923 an estimate for -- Rs.4,000/- for repairing the temple was sanctioned the cost being distributed as noted in the margin. But during execution, it was found necessary to incur extra expenditure and the Deputy Commissioner sought in his letter No.1284/23-24 dated the 10th October 1923 sanction to a revised estimate for -- Rs.5879/- owing to increase in the items shown in the margin. As the Deputy Commissioner was unable to say what amount the Renovation Committee would be able to contribute (vide para 5 of his letter, copy enclosed) and as Mr. K. Krishnamurthi Rao the Chief orgnisor of the movement wanted Government orders about the committee before he could give an opinion on behalf of that body, orders of Government about the committee were awaited, a reference having been already made in this office letter No.C.1392/22-23 dated the 30th August 1923. Meantime the Executive Engineer Bangalore Division requests in his letter No.

*Rs.2,000/- from the State Grant of 22-23.
" 2,000/- from the amount collected by the temple.renovating committee.

4.	Charges on account of Establishment, tools and plant. ..	" 559/-
	Total.	2340/-
	Deduct savings on some items.	461/-
	Balance	Rs. 1879/-

No.259 dated 23rd February 1924 that the revised estimate may be sanctioned early as the work is almost completed.

3. Under these circumstances I beg to recommend that the revised estimate for Rs.5879/- herewith submitted may be sanctioned the moiety of the total excess of Rs.1879/- being met from the interest on General Muzrai Funds and the balance viz. Rs.939-8-0 being paid out from the sum of Rs.1500/- said to be available out of the collections made by the Renovation Committee.

4. In the matter of the other urgent improvements to the temple the Deputy Commissioner reports in his letter No.943 dated the 12th January 1924 (copy enclosed) that Mr. Krishnamurthi Rao requests that the installation of the marginally noted deities and Kempe Gowda's statue is quite necessary, the total cost being estimated at Rs.2500/- as shown below:--

	Cost.

Kempe Gowda's statue	600/-
Conveyance charges.	250/-
Installation "	1000/-
Total	Rs.2495/- or Rs.2500/-

5. In case the Renovation Committee's contribution of half the excess expenditure on the estimate for repairs is approved (vide para 3 above) there will only be a sum of Rs.560-8-0 at the credit of the committee wherewith to contribute to the other essential improvements mentioned in para 4 above. It will not do to leave the work of the restoration of this ancient temple half finished. So I beg to recommend that the remaining portion of the cost viz. Rs.2,500/- minus Rs.560-8-0 (available with the Renovation committee) or Rs.1939-8-0 may be very kindly contributed out of the interest earnings of the General Muzrai Fund.

6. As regards the petition required in your letter No.601/M.F. 37-23-5 dated the 10th November 1923, the Deputy Commissioner who was asked to return it says that none was left behind in his office and that a copy of the same is understood to have been presented

presented to Government by Mr. K. Krishnamurthi Rao.

KSR.

Letter No.C.1284 of 23-24 dated 9-10th October 1923 from the Deputy Commissioner, Bangalore District to the Muzrai Commissioner in Mysore.

"With reference to your Memo No.D.1 Dis.78 of 1922-23 of the 15th February 1923/Muz.531-18-33 of the 7th idem sanctioning an estimate amounting to Rs.4,000/- for repairing the Sri Someswaraswami -- Temple at Magadi, I have the honor to forward herewith a revised estimate amounting to Rs.5,879/- for the work, together with a comparative statement and a report explaining the reasons for the excess.

2. The excess of Rs.1879/- over the sanctioned estimate is due to the following items:--

(1) Due to higher tender rates.	780/-
(2) Due to excess quantity of work on sanctioned items. ..	109/-
(3) Due to additional works ..	902/-
(4) Charges on account of establishment and Tools and Plant.	559/-
Total.	2350/-
Deduct savings on some items	461/-
Net increase.	1889/-

3. Excess under items (1) and (2) setting off against savings is due to correct preparation of the estimate and the consideration of the tenders that had been received by the Executive Engineer. Item No.4 is due to the work having been entrusted to the P.W.Department for execution. As regards item No.3, I would say that Mr. Narnik Krishnamurti and myself visited the temple on the 29th May 1923 and it is at the suggestion of the former that some new items of work have been provided for.

4. In the above circumstances, I request that sanction of Government may kindly be obtained to the revised estimate.

5. As regards the sources from which the excess amount is to be met, Mr. Krishnamurthi told me that the Renovation Committee would pay half the cost of the new items of work, believing that the total cost would not exceed Rs.400/-. Now the total excess having come to Rs.1889/-, I recommend that Government may show any consideration they can."

for Muzrai Commissioner. 4/3/24

Letter No.F.943 of 23-24 dated 12th January 1924 from the Deputy Commissioner Bangalore District to the Muzrai Commissioner in Mysore.

"I have the honor to forward herewith the application of Mr. Karnik Krishnamurthi Rao praying for the preparation and installation of certain idols in the temple of Sri Someswaraswami at Maradi and -- to state as follows:--

The temple renovation committee wants to get the marginally noted idols together with a statue of the late Kempegowda prepared at Devanalli and instal them in the temple. The total cost of prepairing these idols and statue is said to be Rs.1245/- and the cost of taking them to the temple from Devanalli about Rs.250/-. The Cost of their instalation will be about Rs.1000/-

1. Ammanavaru	Rs.165-0-0
2. Ganapathi	" 80-0-0
3. Chandikeswara	" 50-0-0
4. Vishnu with two Ammanavarus	160-0-0
5. Soorya	" 40-0-0
6. Navagraha (nine)	150-0-0

Out of the collections made by the committee a sum of Rs.2000/- has already been paid for the repairs of the temple and a sum of --- Rs.1382-8-0 was paid on account of the cost of the acquisition of the land round the temple and a balance of about Rs.1500/- is --- available with the committee. A large sum is still required for further repairs of the temple. The committee is not now collecting subscriptions as the period of its term, which ended with 30th June 1923, has not as yet been extended. Mr. Karnick Krishnamurthi Rao says that the cost of these idols and their instalation charges may be met out of the balance of about Rs.1500/- which the committee has got, supplemented by a grant of Rs.1000/-s from the state funds.

Under these circumstances I suggest that the preparation of the late Kempegowda's statue may be postponed till sufficient funds accumulate at the credit of the institution as recommended in my letter No.O.C.2454 of 1922-23 dated 14th October 1923 and request that half the cost of the remaining items of work viz.Rs.950/- may be kindly granted from the State grant, the other half being ordered to be met from the balance available with the committee."
